

Shipping costs calculator - Porto (m/f/d)

ENERCON is a worldwide acting supplier for onshore wind turbines. As a shipping costs calculator you have the chance to do a crucial change in the global warming. Following responsibilities are waiting for you:

Your Tasks:

- Calculating sea transport costs for project cargo;
- Evaluating cost efficient transport strategies for your projects;
- Reporting of budget for signed contracts;
- Being a key person of contact for Logistic calculations;
- Celebrating and reporting of successes.

Your Skills

- Master Degree in Logistics/Shipping Management or with long term experience in shipping services (preferred break bulk);
- Advanced knowledge in shipping & pricing;
- Good knowledge in IT Tools & MS Office;
- Basic SAP knowledge;
- Very good language skills in English, spoken and written;
- Preferred experience in project cargo transports (sea), especially windmill.

You Get:

- Strong support by the team;
- Modern & dynamic working environment;
- Ownership;
- Hybrid work system;
- Extra day vacation;
- Network of partners with discounts for employees;
- Possibility to grow professionally and have international career.

DRIVING THE FUTURE

Innovative ideas are the hallmark of our successes and move us on. We are passionate about realizing wind energy projects across the globe and meeting tomorrow`s energy technology challenges. You and your engagement can make a contribution to shape the future of renewable energies.
