

Service Technician (m/f/d)

Service technicians work in teams which are provided with a company vehicle, tools, appropriate working clothes and training in Croatia and Germany.

Your Tasks

- Service, maintenance and repair of our wind energy plants;
- Responsible for a variety of state of the art technical equipment;
- Maintaining good communication flow and customer contact.

Your Skills

- Qualified as a mechatronic and working experience in a mechanical field (e.g. automobile, metalworker);
- High mobility (willingness to travel and to move), flexibility, openness and team spirit;
- Physically fit and comfortable with heights;
- Good communication skills in English. German is advantage;
- Driving licence category B.

DRIVING THE FUTURE

Innovative ideas are the hallmark of our successes and move us on. We are passionate about realizing wind energy projects across the globe and meeting tomorrow`s energy technology challenges. You and your engagement can make a contribution to shape the future of renewable energies.
